Mr H. C. Burleigh,

Bath Ontario.

Mr Burleigh; your name has been given to me as one who might help me in locating some of my relatives in Ont.

I can find nothing on three of my grandfathers sisters: Annie Caldwell Yates, Mary Caldwell Stewart also Jean Caldwell I have no married name for Jean.

If you can help me I would be very glad. Please let me know what you charge for this help — must know if I can afford it.

Yours truly

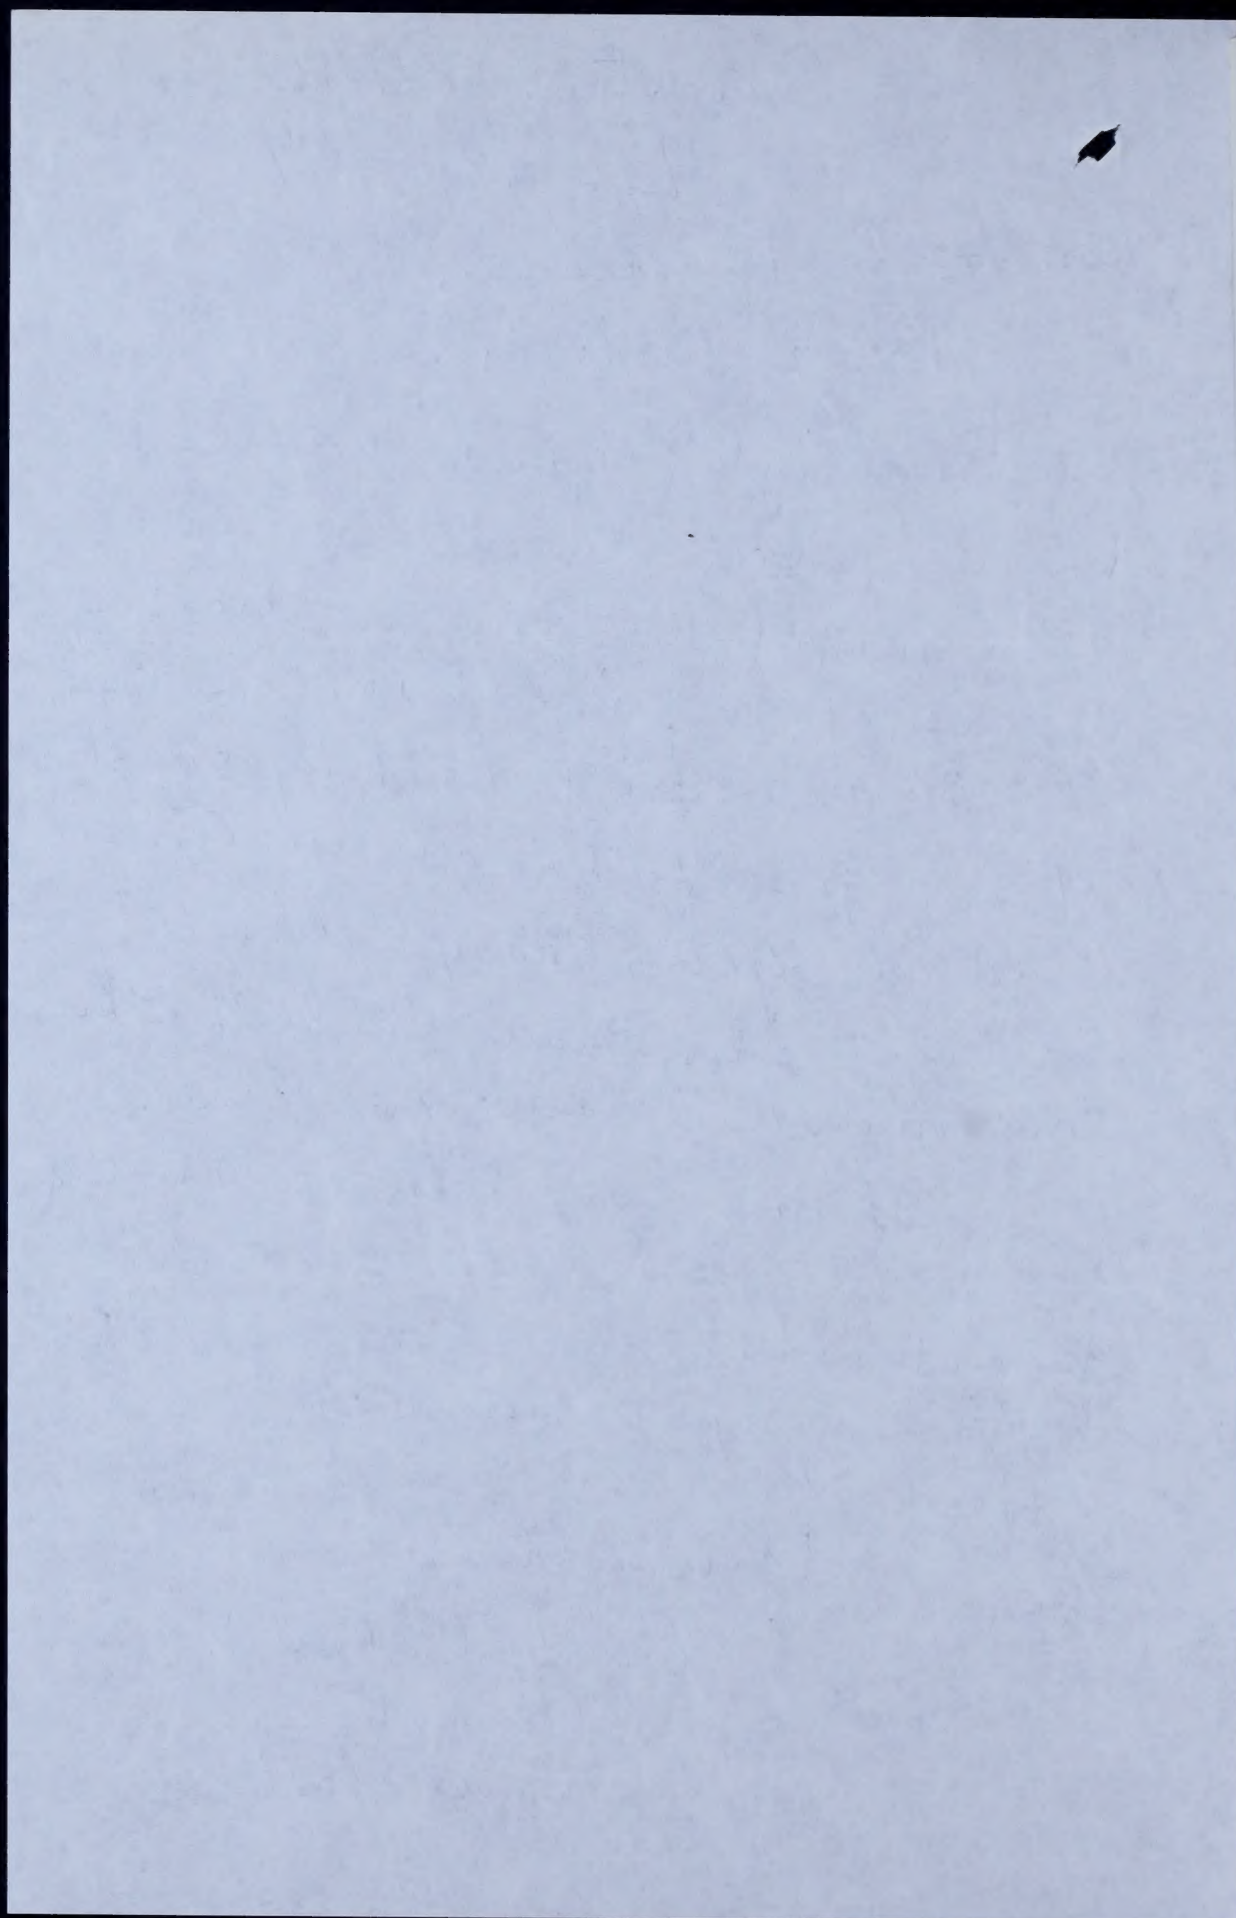

Emily C. Burt.

Mr Burleigh; - I have  
reason to believe that Mary  
Stewart became a widow in  
Jan 1838 and so being only 18  
years according to my dates she  
<sup>may have</sup> remarried. If she did and any  
I would like the name and  
any thing about children.

Mr H C Burleigh; —

I must say I am disappointed in you. I did not expect much of that little five dollars but a start perhaps with hopes of more help.

You knew the minute you opened my letter you could do nothing for me and yet you wrote me a long letter which said nothing and kept my fee

A gentleman would have refunded my money saying I had better write one of the gentlemen you recommended.

You simply did nothing for my two and one half hour fee
